Tabellerna sorterade på poäng (3 för vinst, 2 för mottagen WO, 1 för förlust) Om två eller fler hamnar på samma poäng så avgör gameskillnad. Om det ändå blir lika mellan två så avgör inbördes möten.. **Walkover received/given** är medräknad i **Matches played, won, lost**. **Unplayed matches** är match som ej har något resultat (eller WO) markerat.
